

Welcome

## Princess Chulabhorn's College Chiang Rai and Tokyo Gakugei Science High School, Japan

On 6 January 2014, Dr. Amorn Owatworakit, Assistant Dean School of Science together with the Lecturers of School of Science Mae Fah Luang University (MFU) welcomed the students and staff from the Princess Chulabhorn's College Chiang Rai and Tokyo Gakugei Science High School, Japan. The purpose of this visit is to provide information about the School of Science, MFU in particular on Bachelor's Degree and research area in order to encourage and inspire students in learning science.
